CIH Level 4

CERTIFICATE IN HOUSING

Entry requirements

To undertake this programme learners must be working in a housing or housing related industry (preferably at a supervisory or management level) and have completed the CIH Level 3 Certificate in Housing Practice or a comparable qualification. They must hold 5 GCSE's (grade A* - C / 9-4) or achieve level 2 in English and Maths during initial assessment.

Qualification

Learners will achieve the CIH Level 4 Certificate in Housing.

Progression route

Learners could progress on to the CIH Level 5 Diploma in Housing or an undergraduate course at University.

End point assessment

End point assessment will include:

- A work-based project
- A panel interview.

Results for you

- A thorough understanding of legislation and regulation in the housing and property management sector
- Ability to effectively undertake business planning, financial and risk management, and monitor performance through management systems
- Confidence to develop effective customer and stakeholder relationships
- The knowledge required to provide advice on housing services such as repairs and maintenance
- Effective people management, decision making and time management skills.

Impact for your employer

- Learning and development delivered in line with the latest apprenticeship standards and tailored to meet individual business objectives and goals
- Motivated, highly professional staff who are fully equipped to deal with all aspects of housing and management.
