DENTAL
NURSING

Level 3

DIPLOMA IN DENTAL NURSING

Entry requirements

To undertake this programme you will be working in a dental nursing role and have the opportunity to meet the assessment demands that will enable you to benefit from the qualification. You must hold 5 GCSE'S (grade A* - C / 9-4) or achieve level 2 in English and Maths during initial assessment.

Qualification

You will achieve the City & Guilds Level 3 Diploma in Dental Nursing.

Progression route

This qualification allows you to register with the General Dental Council, providing opportunities for more responsibility within the workplace.

End point assessment

- Direct observation in a real work environment
- Assignments
- Professional discussions
- Projects
- Exams.

Results for you

- Discover how to prepare for clinical dental procedures
- Support in assessing patients, repairing cavities and assessing oral health
- Learn about dental radiography and support in taking dental images
- Find out how to provide support during the extraction of teeth and in minor oral surgery.

Impact for your employer

- Learning and development that is tailored to meet individual business objectives and goals.
- Motivated, highly professional staff registered with the General Dental Council.
